NOTICE OF PROPOSED ACTION
by the
State of Nevada
Division of Environmental Protection
Bureau of Air Pollution Control
PUBLIC NOTICE

Pursuant to Nevada Revised Statutes (NRS) Chapter 445B, the Nevada Administrative Code (NAC) Chapter 445B, and the Clean Air Act, the Division of Environmental Protection is issuing the following notice.

The Administrator received an application to issue the initial Class I operating permit from the following applicant:

Southern California Edison Company
Mohave Generating Station
P.O. Box 800
Rosemead, California 91770

The project is located in Laughlin, Nevada, approximately 60 miles south, south-east of Las Vegas, Nevada. The Administrator has prepared tentative determinations regarding the operating permit, which, in brief, are:

This proposed operating permit is for the initial issuance of the facility's Class I operating permit;

U.S. EPA Acid Rain requirements are included;
Additional limits, and monitoring and recordkeeping requirements are being established that were not contained in the previous state-issued operating permits;

Note: This notice is for electronic distribution. The original notice is on file at the address shown on the letterhead.

Provisions of the U.S. District Court of Nevada Consent Decree have been included in the proposed operating permit;

No emission changes are proposed;

No adverse ambient air quality impacts are expected.

On the basis of the preliminary review and the requirements of the NRS, the NAC and the Clean Air Act the Administrator is hereby announcing his intent to issue a Class I air quality operating permit based on a review of the application, as proposed. A copy of the proposed operating permit is available for public inspection at:

Laughlin Branch Library
2840 South Needles Hwy
PO Box 32225
Laughlin, Nevada 89028
(702) 298-3940

AND

Clark County Library
1401 E. Flamingo Road
Las Vegas, Nevada 89119
(702) 733-1173

Persons wishing to comment upon the proposed determinations by the Administrator regarding this proposed action or to request a hearing pursuant to NRS 445B Air Pollution and NAC 445B Air Controls should submit their comments or request in writing either in person or by mail or fax within thirty days to:

Greg Remer
Division of Environmental Protection
Nevada Bureau of Air Quality

(775) 687-6396 FAX

The application, draft permit, any comments received, and other relevant information may be copied at the above address or copies may be obtained by requesting in writing at the above address. Written comments or objections, will be received at the Division of Environmental Protection, above address, until **May 31, 2002**, and will be retained and considered prior to final action on the Class I operating permit. Upon a valid written request received prior to the end of the comment period, the Administrator will schedule a public hearing on the application and proposed action.

Note: This notice is for electronic distribution. The original notice is on file at the address shown on the letterhead.

Please bring the foregoing notice to the attention of all persons whom you know may be interested in this matter.
